PUBLIC NOTICES

New Delhi, the 18th April 1960

SUBJECT—*Import of Paste Board, Mill Board, Card Board and Straw Board all sorts—S. No. 45-A/V of the I.T.C. Schedule.*

No. 48-ITC(PN)/60.—Attention is invited to the remark (i) against S. No. 45-A/V of the I.T.C. Schedule in the Red Book for April/September 1960 period wherein it is laid down that actual users applications will be considered *ad hoc* only from essential consumers of boards falling under this serial number. Applications for ivory boards, fine boards from greeting or invitation card manufacturers, straw board mill board, card board (other than black centered), grey board and single faced corrugated board will not be considered.

Instances have come to notice where goods imported by the actual users under licences issued for S. No. 45-A/V do not often tally with the description of the goods mentioned in the licences. It has, therefore, been decided that actual users while making applications to the licensing authorities concerned for the permissible items falling under S. No. 45-A/V as per remark (i) against this serial No. in the Red Book for the current licensing period, should also give the exact specification of the stores they desire to import for manufacturing purposes along with other details which they normally submit to the licensing authorities.

CORRIGENDUM

New Delhi, the 18th April 1960

SUBJECT—*Import policy for April—September, 1960 period—Grant of licences on yearly/repeat basis.*

No. 49-ITC(PN)/60.—The following amendments shall be deemed to have been made in Ministry of Commerce and Industry Public Notice No. 38-ITC (PN)/60, dated 31st March, 1960:—

(i) The subject of this Public Notice shall be substituted as under:—

“Import policy for April—September, 1960 period—Grant of licences on yearly/repeat basis.”

(ii) The existing para 2 of this Public Notice shall be substituted as under:—

“2. The Government of India have been considering ways and means to curtail procedural delays in the issue of import licences. Keeping this object in view “Repeat” licensing was introduced during October,

1959—March, 1960 period. It has now been decided to introduce annual licensing with effect from the 1st April, 1960 in regard to Actual User/quota licensing to the extent mentioned below:—

A: Actual User licensing in respect of the annual requirements of raw materials only for:—

- (i) Small Scale Industries in respect of units which have been receiving A.U. licences for the last two licensing periods.
- (ii) Certain specified scheduled industries as given in Annexure I.

The requirements for Plant and Machinery/Machine Tools and spares for repairs and maintenance of machinery will be licensed on half yearly basis.

B: Actual user licensing in respect of the annual requirements of machinery for Tea, Jute and Coal industries.

C: Quota licensing in respect of items specified in Annexure II. Twelve months' entitlements will be worked out on the basis of the half yearly policy for April—September, 1960.

This will eliminate the necessity of making applications for import licences twice a year and will enable licence holders to procure their requirements more economically and in time to operate smoothly a programme of planned production."
